OUTBACK GRANTED SILVER SPOON EXPLORATION LICENCE NEAR FOSTERVILLE GOLD MINE

(TSX.V: OZ | OTCQB: OZBKF | FSE: S600)

VANCOUVER, BC, May 30, 2023 /CNW/ - **Outback Goldfields Corp.** (the "**Company**" or "**Outback**") (TSXV: OZ) (OTCQB: OZBKF) is pleased to announce that the Silver Spoon Exploration Licence (EL006951) has been granted near the world-class Fosterville gold mine in central Victoria, Australia.

"We are very excited to finally have the highly prospective Silver Spoon Exploration Licence granted," commented Chris Donaldson, CEO. "The initial premise for Outback Goldfields was to explore for the next high-grade Fosterville-style gold deposit and there is no better place to explore than a project contiguous with Agnico Eagle's Fosterville tenements. We will kickoff our preliminary exploration efforts at Silver Spoon in the coming months with the goal of advancing the Crosbie target and defining additional drill targets."

Highlights

- **Strong land position between two high-grade gold mines:** Silver Spoon is contiguous with Agnico Eagle's Fosterville exploration licences to the west and only 10 km north of Mandalay Resources Costerfield mine.
- **Initial fieldwork planned at Silver Spoon:** Systematic geological mapping together with soil geochemical surveys are being planned and will commence in the coming months.

Silver Spoon Project

The grant of the Silver Spoon Exploration Licence (EL006951) from the Victorian Government's Department of Earth Resources regulation has now been finalized. All native title obligations applicable to the licence have been resolved with a Land Use Activity agreement in place with the Taungurung Land and Waters Council Aboriginal Corporation (TLaWC). The Silver Spoon tenement is contiguous with Agnico Eagle's Fosterville tenements and centered 20 km southeast of their world class high-grade Fosterville gold mine (Figure 1).
